There is more Catarrh in this section of the country than all other diseases put together, and until the hast few years was supposed to be incurable. For a great many years doctors pronounced it a lecal disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Chency & Co., Taledo, Ohio, is the only obesticational cure on the market. It is taken internally in dozen from ho drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
